

# 4-WEEK MENU PLAN

**Time is on your side.** Taking a 14-hour break from consuming calories while you sleep can give an extra boost to your weight loss and may be beneficial to your health and metabolism at the same time!

**Know yourself and plan ahead.** Use the Start/Stop time on your menu to decide the best time to start eating and stop eating. Matching your schedule will remove any stress about when to eat.

**Welcome!** We can't wait to help you reach your goals. With Jenny Craig's proven program, you'll eat better, live healthier and create new habits.

**The #1 key to your success?** Sticking to your menu. Each week, the food you receive will align with your menu plan. Begin with Week 1 and work your way to Week 4.

### Here are a few tips to get started:

- Open your Jenny app to instantly view your menu!
- Track your meals and snacks effortlessly in the app. Check off each item you enjoy.
- Step on your Hey Max! scale daily to track your transformation.

**Questions?** Our Jenny Craig coaches have answers! • **Connect with your coach for motivation, tips and more.**
